Study plan

Study duties

The student is obliged to successfully complete the courses to the required level according to credit limits and the specified study plan. Detailed rules for study in the doctoral program are contained in the Study and Examination Regulations and the Dean's Direction for the Study and Examination Regulations of the Palacký University.

Requirements for this module: This module serves for futher specialization of the students within their field of choice. The student must choose one of the following courses: "Work and organizational psychology" or "Psychological aspects of the traffic system". Further, the student chooses other courses to meet the ECTS minimum for the module. The student might also choose courses from this module to meet the ECTS minimum for the whole doctoral study program. If the student chooses one of the 24 ECTS courses, i tis assumed that s/he only chooses one of the following, not both: "Applied research design of work psychology" or "Applied research design of organizational psychology".

	Interd	lisciplinary	courses	- 0 EC'	TS		
Course title	Full- time (hours)	Part-time (hours)	Final exam	ECTS	Lecturer	Recom. year/ semester	Profile basis
Other courses offered by the Faculty							

Requirements for this module: For this module, no ECTS minimum is set. The students can choose courses from this module to achieve the total doctoral study program ECTS minimum (240 ECTS).

	Compulso	ory electives	– soft s	kills – 5	ECTS		
Course title	Full- time (hours)	Part-time (hours)	Final exam	ECTS	Lecturer	Recom. year/ semester	Profile basis
Publication skills for psychologists	4p	4p	Z	5	doc. PhDr. Matúš Šucha, Ph.D.	2/W	PZ
Other courses offered by the Faculty							

Requirements for this module: Completion of a course of the students' choice to meet the ECTS minimum for this module.

	Com	pulsory elect	tives – 1	eaching	– 10 ECTS
